## CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

The most updated information on this Certificate of Listing is available online at [pld.iapmo.org](http://pld.iapmo.org)

Effective Date: February 2017

Void After: February 2018

Product: Push Fit Fittings

File No. K-10683

Issued To: Tubomart Enterprise Co., Ltd.  
Rm 1401-1410, Block A1,  
Guangzhou Greenland Central  
Plaza, Shenzhou Rd.  
Guangzhou,  
China

Identification: Each fitting shall have the following information marked on it where it will be visible after it has been installed:  
Name of manufacturer or trademark.  
When a fitting is not suitable for all four (4) materials, it shall be marked as follows for the materials for which they are suitable:

- Copper or Cu
- CPVC
- PEX
- PE-RT

When push-fit connectors are used on plumbing devices, the markings are permitted to be on the plumbing device.

Fittings 1/2" CTS or smaller are permitted to use a permanent label complying with the requirements of UL 969 or CSA C22.2 N. 0.15 to display the required markings. The markings shall be permanent. The product shall also bear the CUPC mark.

  
Chairman, Product Certification Committee

  
CEO, The IAPMO Group

This listing period is based upon the last date of the month indicated on the Effective Date and Void After Date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of the Product Certification Committee, or any evidence of non-compliance with applicable codes and standards or of inferior workmanship, may be deemed sufficient cause for revocation of this listing. Production of or reference to this form for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc. Any alteration of this certificate could be grounds for revocation of the listing. This document shall be reproduced in its entirety.
